SUMMER IN KINGSTON 2026

This summer, I invite you to position your business at the heart of Kingston's most vibrant season.

The Greater Kingston Chamber of Commerce is proud to launch Summer in Kingston 2026, our official seasonal campaign connecting residents and visitors with the businesses, experiences, and destinations that define summer in our city.

Promoted through our website, newsletters, and social media platforms, this curated digital guide is designed to drive visibility, engagement, and meaningful results for participating businesses. By aligning your brand with this initiative, you are not only increasing your reach, you are reinforcing your commitment to strengthening Kingston's local economy.

Following the strong success of our Holiday Gift Guide, we are expanding this campaign to create even greater impact this summer.

I encourage you to secure your placement early as inventory is limited. I look forward to showcasing your business as part of Summer in Kingston 2026.
